Message from the Principal

Yesterday saw a strengthening of national COVID-19 measures coming into force across England, in an attempt to stop the rapid spread of the virus.

I would like to take this opportunity to remind you all of the importance of social distancing whilst on the school site.

Remember that we should all be keeping 2 metres apart from anyone who does not live in our household. If it is not possible to keep 2 metres apart, then extra measures should be taken, including wearing face coverings and facing away from one another or standing side-by-side, rather than face-to-face.

There are 2 metre markings all around the school site to assist with spacing.

Please take particular care around gate areas and when you are waiting on the playgrounds. Corby remains on the government watch list as an area with a high infection rate and I would encourage you all to be vigilant, in the interests of public safety.

Thank you.

Mrs Rolf

Keeping warm

As the Autumn weather arrives, the temperature is dropping outside.

We have our doors and windows open throughout the school building - to keep the school well ventilated - and this means that school is colder than usual.

Please make sure your child has a jumper/cardigan with them every day and we would also suggest that children wear vests and thermal under layers as the temperature drops further.

Mrs Rolf

Delling learning

Delling are learning about the Berlin Wall. We think it was really unfair when it got put up overnight in 1961 to stop people in East Germany from leaving and we are glad that it got demolished!
