School photographer – Monday 17th May 2021

Dear Parents/Guardian

The school photographer will be in school on Monday 17th May 2021.

The photographer will take individual portrait photographs of all children.

Year 6 will have individual photos taken on this day and will also have their class photos taken too.

All pupils are to wear school uniform on this day (*not mufti/own clothes*).

Unfortunately, due to the current Covid-19 restrictions and the way we are operating, we are unable to offer any sibling photographs (either before school or during the school day).

Yours sincerely
